### Description

Www.justfishingboats.co.uk Just arrived in stock ! Electric winch and bow thruster! Just been serviced and had fuel polishing. Rear camper canvass enclosure and cushions! 2007 Beneteau Antares 6 fitted with Volvo D3 inboard diesel on shaft drive. Similar in size to an Arvor, but a better finish and quality. The Beneteau Antares 6 is a sturdy, practical, and stylish sea boat. Designed as a pocket-cruiser, this boat boasts an amazing amount of accommodation in what is only a 6.5m hull. With her semi-planning hull, shaft drive diesel motor and bow thruster she is not only a very capable sea boat, but incredibly fuel efficient and a breeze to handle on your own. She is perfect for both coastal and inland cruising; her pronounced keel allowing her to track nicely even at very low speeds. With it's enclosed wheel house, it's perfect for our Northern European climate. The spacious wheelhouse incorporates a nice little galley (with 12v fridge and camping gas stove), a convertible v-berth/dinette up forward, and the all-important enclosed heads compartment. Delivery throughout UK. Part exchange welcome. What's app Mark on 07917 414576 for more pictures.
